

Corvette Cruisers of Illinois

January 2017

Newsletter

Welcome to 2017, the beginning of a new year is exciting for all of us. We all know it is just a short time before we pull our Corvettes out of storage. We are on the downhill side of old man winter.

Governor Andy Monson let us all know He has been looking into the FCOA- Future Corvette Owners Association -which he let us know that this is a Corvette club for Kids of all ages. Check out the NCCC page under FOCA- sign your grandchildren up. Looks very rewarding.

Old Business ~

Our Christmas Dinner was held in December at Turtle Run. The evening was wonderful- food was excellent, music was excellent (we should have been dancing) the white elephant was excellent. What we need to decide is if we would like to continue there at Turtle Run or come up with a different suggestion. Bring your ideas to the next meeting.

New Business ~

Cruising to the Veterans- discussed the different alternatives do we continue the event or just donate the budgeted amount to the Veterans. After several voiced their thoughts the motion was made to continue the event.
