We had guest speakers at the meeting:

Phil & Yvonne Nace- Star City Corvette Club- President

Tom & Anne McGhee- Lafayette Corvette Club President

They had dinner with us- attended our meeting then presented a slide show. They thanked us for participating in their Vettes for Vets event each year. They told us what they collect and how every penny goes back to the Veterans. We asked them how they get so many clubs to attend. They have given us several ideas.

- One of the main reason is they attend other Corvette Clubs events. If you go to theirs then they will come to ours.
- Our event is on a Sunday- maybe we should rethink that and go with a Saturday.
- Try getting some area sponsors - they have Christi Hubler
- Advertisement - possible Blue Bars

They gave us somethings to think about and discuss. They also gave us the flyer attached. They lost a member last year and in his honor they are having a cookout and Rallye. Let's please put this on our calendar to attend.

Randy & I attended the "Cheeseburger & Fun" Car Show- It sure wasn't the same Cheeseburger & Fun show as in the past. Not a lot of cars showed up for this- You could tell there were a lot of mixed feelings. We saw several cars drive by instead of pulling in and setting up. The Jeep Club took front row- no one touched that area - so they claimed it. NO - sign ups - No- door prizes. I am sure the Vendors out there lost money. We did get some flyers and I have them attached.
