Don acknowledged what a fantastic job Dave has done this past year with the Parades. Everyone there completely agreed and surprised Dave with a standing O. THANK YOU AGAIN DAVID MILLER!!!!

Christmas for the Kids- Ron will be checking with the VA to get us a date in December for Santa to visit the kids. If you missed out last year this is the most heartfelt events you could be a part of. Once we get a date on their calendar - we will start making plans. Santa will need to make his list of course. Black Friday shopping proved to be the best time to get everything those kids wanted. Deb & her daughters hit the stores at midnight and picked up just about everything. Wrapping will be done again as a group- and this year Marianne has donated stockings for the children. If you would like to fill a stocking for a child- please contact Marianne.

Also, we will be asking some of the local business if they would like to donate: Ice cream, Fruit baskets or gift cards for the families.

More information will follow if not by the November meeting.

CCOI - 2020 Board members- Nominations will be turned into Deb - she will then email you if you have been nominated. The new board will be announced at the November meeting.

T-Shirts- at the meeting different size T-shirt were available. A written vote was taken and the new color club shirt is: GREY!!!

We will have Grey shirts with Black lettering- next we need to decide on is what do we want the front to say? Do you want to see your emblem on the front left? C5, C6 or C7? Or your name? Or just Corvette? We need to make a final decision by next meeting.

Remember you can always get the grey shirt and order the same shirt in the color of your car.

Remember both shirts are unisex- the only difference is the Anvil is a softer material.

## New Business for 2020 ~

Ride for St. Jude 2020 - Judy Taylor spoke at the meeting about St. Jude's. As a family of a St. Jude's patient this is close to their heart. The monies donated by many sponsors and events like allows the family to never have to worry about paying for treatments, travel, housing or food.

This take a big burden off the family. This event is set for May 14-15, 2020. Each car donates \$1500.00 - driver collect \$1000.00 and their passenger collects \$500.00. In 2019, they had over 70 Corvettes just from the Midwest join in on the drive. Information is attached if you are interested. Judy mentioned there are also tours available to see the hospital if interested.
