February 2017

The February meeting came to order at 6:30 pm. We had 28 members present. Meeting opened with the reading of the January minutes they were approved along with the treasury report.

Governors Update: There is a meeting February 25th in St. Louis Andy will have more information to share next month.

We would like to welcome our newest members; Clinton (son of Don & Liz) and Robin. Welcome to the club!!!

We have several weekend trips/cruises planned this year. I have enclosed information on most of them in this newsletter. Sorry for the many emails going out on some of the time sensitive trips.

April

Corvette Bash in Bowling Green, Ky. There are several of us going. Don & Liz have already purchased tickets for us to tour the Corvette plant. IF, you want to tour the plant please let Don/Liz know so they can add your name on the ticket. Time was an issue as most tours were already booked so they grabbed us the only one tour left open. They have a block of rooms at the hotel. I called to book our room - she told me the hotel was only 6 months old. Kudos for that!!!! You must book your room by 03/01/2017 to get the Corvette Cruiser rate. So, please tell them you are with the CCOI when you book.
