April 2017

The April meeting came to order at 6:30pm on Thursday April 13, 2017. Meeting opened with the reading of the March minutes- they were approved along with the treasury report.

Governors Update: Andy talked to our RMD-Regional Membership Director Shannon Davis about the club members not receiving the Spring edition of the Blue Bars. Some changes have been made in the NCCC system to make sure this is corrected. Shannon advises that he will bring the Blue Bars to the April meeting.

VP Update: Dave mentioned that the first parade we were in 2016 was the first weekend of July. The concern about the Parades with the risk waivers was brought up. We all came to the same understanding/agreement that anytime anyone contacts David Miller for the CCOI to carry anyone he will send them via email a consent forms **A- Release and Waiver of Liability Assumption of Risk and Indemnity Agreement and B- Minor's assumption of Risk and Release AND Waiver of Liability**. Not only will the person on the car need to sign but the parents as well. This is to protect us as well as the person we carry. Once David receives the forms back we will make sure to carry them at each event.

First Mystery Cruise was Sunday April 9th- It was a BEAUTIFUL day for ride. For those that missed it we took off from the pilot gas station in Oakwood and headed East to Bloomington Normal. We pulled into Logan's steakhouse. They had a table for 25 set up and ready for us. Thank you to Marianne, Deb & Judie- you all did good!
