March 2017

The March meeting came to order at 6:30 pm. We had 27 members present. Meeting opened with the reading of the February minutes they were approved along with the treasury report.

Governors Update: Andy & Marianne attended the NCCC meeting in St. Louis the end of February. Any changes/updates on your cars - if you get a new car or get another car all this information **MUST** be given to Andy so he can update the NCCC database as soon as possible.

We would like to welcome our newest members; Bob & Cindy. Welcome to the club!!! This makes 4 new members in 2 months...!

New Business:

A vote was taken to order club patches. These patches will be about a half inch bigger & wider. The more patches we order the cheaper the price got. Don will let us know when they come in.

Talked about finding another Corvette Club to help co-work a NCCC Speed Racing event. This would help us bring money into the club. Don is checking with some other clubs.

On March 25th the Junkyard Dogs will be hosting a flyers meeting at the American Legion in Westville at 5:00pm. If you are going to attend please bring a covered dish. Also, weather providing we could be driving our cars- we could meet and caravan to the America Legion.

The Cruising to the Veterans committee from last year met and set a date for this year. Ron had mentioned moving our event to a Sunday afternoon. This way maybe we won't double up on another event going on in Danville. We have chosen Sunday July 23rd from 1-4 at the Danville VA home. A rain date set as July 30th. Flyers will be made and ready to be passed out by the 3-25 flyer meeting in Westville. Mark your calendars now...we need everyone to help with this event.
